

Year 4 Autumn Term 1 Family Homework

Please complete as many tasks as you are able to from those provided. We are encouraging the children to hand in one piece per week through the google classroom or stick it in their homework book, where appropriate for the task. Some tasks may take you a while to complete, for example, learning to tell the time, these would be ongoing challenges. You have the rest of Autumn 1 to complete these tasks.

Useful Websites you may wish to explore.

Times Tables: <https://ttrockstars.com/>

English

For English, please practice your spellings on a weekly basis. You will have a spelling test, in class, with your teacher each Monday or Tuesday. As a minimum, pupils should learn the spellings for the given week. However, why not challenge yourself by building sentences using the spellings? We would also like you to read for 15 minutes at least 3 times a week. This can be with an adult or independently. Please ask your child about what they have read and sign their reading record.

Maths

Children are expected to know all of their times tables up to 12x12 by the end of Year 4 in preparation for the National times table check at the end of the year. They should be able to recall all facts quickly such as $3 \times 5 = 15$. Use Times Table Rockstars (TTRS) to help them with this. Your login is stuck in your homework book.

Year 4 Autumn Term 1 Homework Challenges

<p>Task 1 - History</p> <p>Create a Saxon shield.</p> <p>Some design ideas: https://www.pinterest.co.uk/pin/447263806734565732/</p>	<p>Task 2 - Maths</p> <p>Addition and subtraction - practice your skills with these games and challenges.</p> <p>Subtraction Fruit Splat Game - 7 levels</p> <p>The Column Method for Addition</p>	<p>Task 3 - PE & Sports</p> <p>Create a target game where you have to get the ball/pine cone/bean bag into a goal/hoop/etc</p>	<p>Task 4 - English</p> <p>Do some research on Whales.</p> <p>Choose a whale to research.
