

## Year 6 Autumn Term 2 Family Homework

Please complete as many tasks as you are able to from those provided. We are encouraging the children to hand in one piece per week through the google classroom or stick it in their homework book, where appropriate for the task. Some tasks may take you a while to complete for example learning to tell the time, these would be an ongoing challenge. Belwains are committed to preparing the children for secondary school. Therefore, Year 6 will be given a workbook for maths and spelling, grammar and punctuation. One piece of work will be set per week from one of the books.

### Useful Websites

BBC Newsround – Black History Month – The men who made history in Britain

<https://ttrockstars.com/>

### English

For English, please practice your spellings on a weekly basis. You will have a weekly spelling test, in class, with your teacher on a Tuesday. As a minimum, pupils should learn the spellings for the given week. However, why not challenge yourself by building sentences using the spellings? We would also like you to read for 20 minutes every day. This can be with an adult or independently.

### Maths

Children are expected to know all of their times tables, please keep revising. Use Times Table Rockstars (TTRS) to help them with this. Your login is stuck in your homework book.
