

Year 1 Autumn Term 2 Family Homework

Please complete as many tasks as you are able to from those provided. We are encouraging the children to hand in one piece per week through the google classroom or stick it in their homework book, where appropriate for the task. Some tasks may take you a while to complete for example adding and subtracting up to 10, these would be an ongoing challenge. You have the rest of Autumn 2 to complete these tasks.

Useful Website

English

For English, please practise your spellings on a weekly basis. Use the links provided to watch the phonics videos. You will have a weekly spelling test in your phonics group on a Wednesday. As a minimum, pupils should learn the spellings for the given week. However, why not challenge yourself by building sentences using the spellings? We would also like you to read for 10 minutes every day with an adult. Please see the guidance in the front of your reading record.

Maths

For Maths, please practise adding and subtracting numbers up to 10. You could do this on a number line, using your fingers or with counters. Also, you can practise number bonds to 10 (e.g. $5+5=10$, $1+9=10$).

Year 1 Autumn Term 2 Family Homework

<p>Task 1 - Geography Have a look on Google Earth. Can you find our school? Can you find your home?</p>	<p>Task 2 - Maths Watch this video to practise adding and subtracting to 10. https://www.youtube.com/watch?v=v_eQnodSA4Ik</p>	<p>Task 3 - PE & Sports Practise skipping with a skipping rope for 60 seconds.</p>	<p>Task 4 - English Listen to this story of Rapunzel. https://www.youtube.com/watch?v=7XjPbE2LUK4</p>
