

Year 1 Spring Term 2 Family Homework

Please complete as many tasks as you are able to from those provided. We are encouraging the children to hand in one piece per week through the google classroom or stick it in their homework book, where appropriate for the task. Some tasks may take you a while to complete, for example counting forwards and backwards on a number line, these would be an ongoing challenge. You have the rest of Spring 2 to complete these tasks.

English

For English, please practise your spellings on a weekly basis. Use the links provided to watch the phonics videos. You will have a weekly spelling test in your phonics group on a Wednesday. As a minimum, pupils should learn the spellings for the given week. However, why not challenge yourself by building sentences using the spellings? We would also like you to read for 10 minutes every day with an adult. Please see the guidance in the front of your reading record.

Maths

For Maths, please practise counting up to 50. You could also practise working out 1 more than and 1 less than numbers up to 50.

Year 1 Spring Term 2 Family Homework

<p>Task 1 - Geography Research Kuala Lumpur in Malaysia. Can you see/name any differences between Kuala Lumpur and London?</p>	<p>Task 2 - Maths Learn about the number 50 by watching this video: https://www.youtube.com/watch?v=cZO74TaoOWs</p>	<p>Task 3 - PE & Sports Can you practise different types of throwing? How far can you throw a ball/bean bag? Can you throw it at a target?</p>	<p>Task 4 - English World Book Day is happening this half term. What is your favourite book? You could read it with an adult, draw a picture of the characters or write a sentence about why you like it.</p>
<p>Task 5 - DT Can you build a vehicle with a construction kit you have at home? For example, you could build a car out of lego.</p>	<p>Task 6 - Geography Draw some pictures of famous landmarks in a capital city of your choice. For example, you could draw the Eiffel Tower in Paris or the Colosseum in Rome!</p>	<p>Task 7 - Science Make a poster to show how plants or animals change in different seasons. We would love to see what you create! Please hand these in by 16th March.</p>	<p>Task 8 - Maths Practise counting in 2s, 5s and 10s. You could use a 100 square to help you. Can you get to 50? Or 100?</p>
<p>Task 9 - English Try writing sentences using 'and' to expand them. For example: The mouse is small and fluffy.</p>	<p>Task 10 - PSHE Draw a picture of someone doing something kind for somebody else. How many examples can you think of?</p>	<p>Task 11 - Science How do you think the temperature changes throughout the four seasons? When is it warm? When is it cold? Talk to a family member about this.</p>	<p>Task 12 - Computing Have a look at some artwork by Piet Mondrian. What do you notice? What colours does he use? What shapes/lines do you see?</p>
